

We import Cuban rum

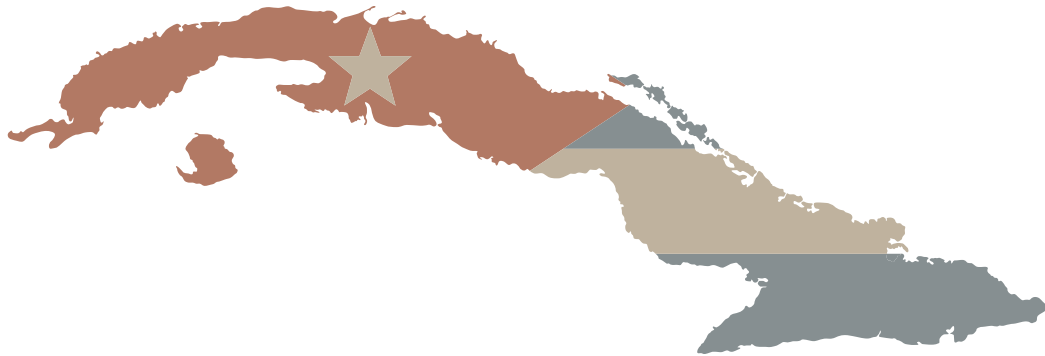

Only authentic with guarantee seal Original Cuban rum

The green Cuban guarantee seal on rum bottles signifies the authenticity of the Cuban rum in the bottle. This seal is awarded by the Cuban Government, guaranteeing the manufacture of the product in Cuba and safeguarding against counterfeiting.

Your importer Cubata

Today, as in the past, Cuba captivates with its turquoise blue waters, white sandy beaches and the pure joie de vivre that every Cuban conveys with a good cigar and local rum. It is precisely this Cuban rum which inspired us to trade with Cuba and import Cuban rum. It all started for us in 2011, the year in which our company set out to make corporate history with brands of rum from Cuba which were mostly unknown in Germany but no less superb.

Since then we have been working continuously and intensively on establishing business contacts in CUBA. Our main business is importing Cuban rums.

As sole importer we are proud to offer you the largest selection of RUM brands from Cuba, 2 of which we import exclusively. Our import portfolio includes the RON MULATA, RON ARECHA, RON CUBAY, RON SANTIAGO, RON PERLA DEL NORTE, RON CANEY and RON VACILON brands of rum, which we offer for German, European and worldwide distribution.

We would love to add you to our list of our satisfied customers in future and look forward to convincing you of our competence in the import of Cuban RUM.

Ron Mulata de Cuba

“...amongst the Top 3
on Cuba”

Ron Mulata is produced in various distilleries in Cuba. The most important one for bottling for international export is located in Santa Fe. Like most Cuban rums, it is made from sugar cane molasses and produced under various brands.

The Ron Mulata brand is one of Cuba's three most important brands of rum and covers a large part of the local market. Internationally, the brand is becoming more and more important and is gaining an increasing number of fans in Europe.

Ron Arecha

“ THE FORGOTTEN PEARL OF THE CARIBBEAN ”

The Cuban Arecha Rum goes back to José Arechabala, who also created the brands of rum Bacardi PEARL and Havana Club towards the end of the 19th century near Havana. The Arecha Rum, however, sets itself apart from these with its soft, full-bodied taste. This rum has been forgotten over time, but thanks to Corporacion Cuba Ron, the tradition of Arecha Rum,

also known as the forgotten Pearl of the Caribbean, is now continuing. The Arecha Rum uses sugar cane from the Sierra Meastre Mountains, known for its particularly high quality.

RON ARECHA

RON ARECHA „Passion Colada“

Preparation: shake the ingredients vigorously in the shaker with ice cubes, then strain into a pre-chilled cocktail glass. Place a slice of lime on the edge of the glass.
